If you read this booklet you will be told more about your basic rights and how to use the law to your advantage. Much effort had been made to keep the articles topical, interesting and readable.

Topics addressed include –

- Harassment at Work
- The Small Claims Court
- Medical Negligence
- You and Your Grant
- Building
- Collective Bargaining Rights of an Employee
- Drawing up a Will and Deceased Estates
- The Promotion of Access to Information Act
- The Promotion of Administrative Justice Act

As there are a number of different contributors the styles vary, but all in all we believe that you will enjoy the booklet and empower yourself in the process.
